OWNER CLASSES: BASIC ON-LEASH OBEDIENCE

Our **Basic On-Leash Obedience Program** is designed to build a stronger, healthier relationship between you and your dog through consistent, balanced training.

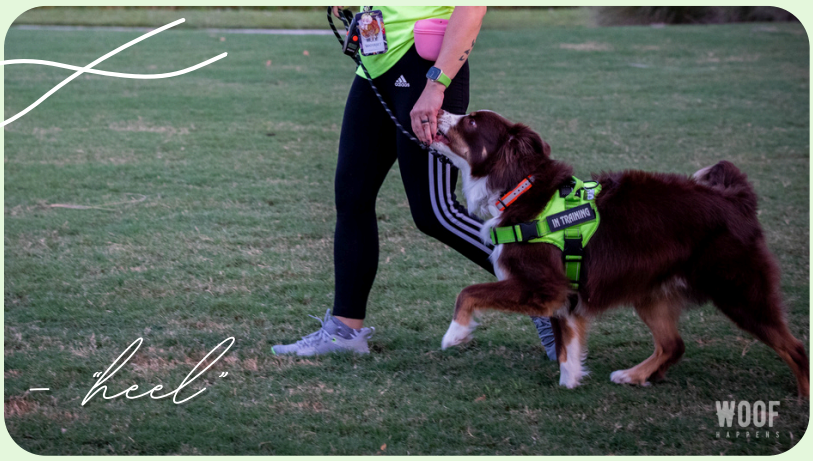

We start with a **free consultation** to evaluate your dog's behavior and determine if our program is the right fit.

Using Top Tier K9's balanced training methods, our certified trainer(s) will teach you the basics of dog training, dog behavior, and overall pet-wellbeing, over the course of 3 weeks. You will be required to work with your pup multiple times per day, consistently, for the entirety of the **3-week program**, in order to set your pet up for success!

We help you train your pet right in your home, guiding you through plenty of real-life distractions and scenarios that your pet will be exposed to throughout their life.

Please note: If you are not confident that you can provide your dog with the time & consistency required for training, you may want to consider our Board & Train program instead. 🐾

ABOUT US

Our Story 🐾

We've always loved animals, but it was our dogs, Haru and Pippin, who truly inspired us to turn that love into something more.

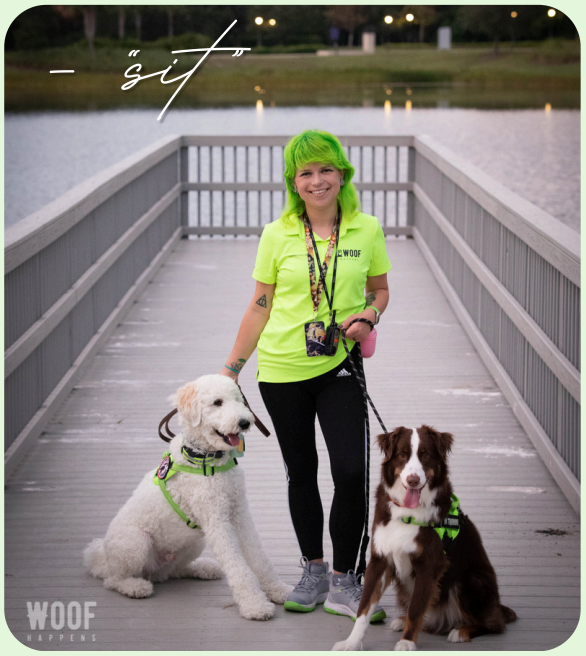

They taught us just how rewarding (and sometimes challenging!) pet parenting can be. That experience sparked our passion for helping other families build stronger, happier relationships with their pups.

And so, Woof Happens was born!

Our mission is simple: make pet parenting easier through trustworthy care, effective training, and a personal touch.

Because we know they're not just pets. They're family. 💚

We care. And our credentials show it:

- Top Tier K9 Certified Pet Trainer
- Insured by Pet Care
- Registered with Hillsborough County
- American Red Cross Pet CPR Certified
- Local & Family Owned

"I'm fortunate to be able to say that I truly love my job. Working with dogs is the best!"
