BOARD & TRAIN: BASIC ON-LEASH OBEDIENCE

Our **Basic On-Leash Obedience Program** is designed to build a stronger, healthier relationship between you and your dog through consistent, balanced training.

We start with a **free consultation** to evaluate your dog's behavior and determine if our program is the right fit.

Using Top Tier K9's balanced training methods, our certified trainer(s) provide multiple daily sessions throughout your dog's **3-week board-and-train stay**.

Unlike traditional boarding facilities, we train in a real family-home environment, exposing your dog to everyday distractions and situations.

The program also includes **two owner training sessions**, so you'll have the skills and confidence to maintain your dog's progress at home. After all, pet parents need training too! 🐾

ABOUT US

Our Story 🐾

We've always loved animals, but it was our dogs, Haru and Pippin, who truly inspired us to turn that love into something more.

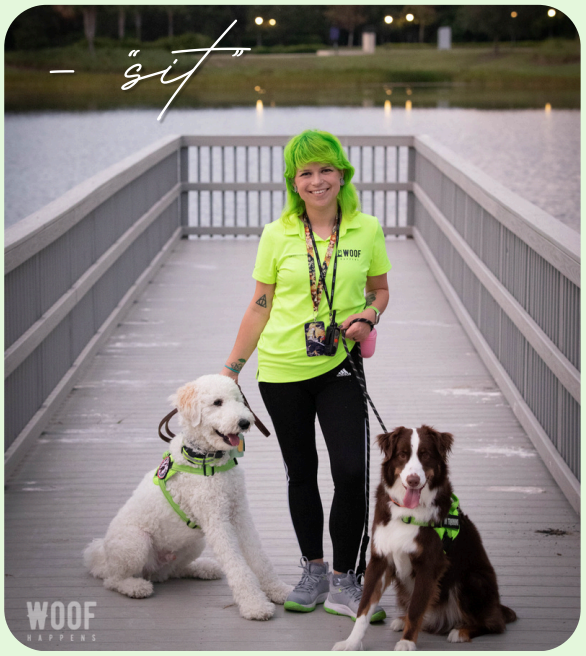

They taught us just how rewarding (and sometimes challenging!) pet parenting can be. That experience sparked our passion for helping other families build stronger, happier relationships with their pups.

And so, Woof Happens was born!

Our mission is simple: make pet parenting easier through trustworthy care, effective training, and a personal touch.

Because we know they're not just pets. They're family. 💚

We care. And our credentials show it:

- Top Tier K9 Certified Pet Trainer
- Insured by Pet Care
- Registered with Hillsborough County
- American Red Cross Pet CPR Certified
- Local & Family Owned

"I'm fortunate to be able to say that I truly love my job. Working with dogs is the best!"
